#### Important information about your premium estimate:

This premium estimate is not a contract of insurance and does not provide you with any cover. It is meant to be a guide only. When you apply for insurance, we will ask more detailed questions. We may ultimately decide not to offer insurance or to offer insurance at a different premium, excess, no claim discount, payment option or with special conditions.

This premium estimate is valid for 7 days from the date it was generated.

You may be entitled to Maximum No Claim Discount for Life on application of New Business.

<b>** Excesses</b>	Basic Excess:	\$500
	Age Excess	
	Driver under 25 years:	\$400
	Driver 25 years or over:	\$400

Age excess is added to the basic excess if, at the time of an accident you claim for, the driver is:

- under 25 years of age, or
- 25 years of age or over with less than 2 years driving experience once they have a provisional or probationary licence.
